

Senior High School Supplies

Students can reuse binders and may choose to have 2 larger ones to hold 2 subjects or have 4 smaller ones, one for each subject. Hopefully families can take advantage of back to school sales for lined paper, as well as pens, pencils and coloured pencils. Some teachers may encourage some course specific items and this will be shared with you within your first week of classes. Suggested (not required) Math and Science Supplies would include;

Scientific Calculator (Two models recommended)

- These can be purchased from Staples, Walmart, and Amazon. Look for sales in August.

- TI-30XS MultiView™ scientific calculator
- TI-30XIIS™ scientific calculator

Pencils or Mechanical Pencils (recommended 0.7mm lead) with extra lead and white erasers
